

Components

Cables and Plug-in Connectors

AC-71/3,5MM

Order No. 21.0010

Telephone adapter, with 1 m connection cable and 3.5 mm plug, impedance: approx. 1 k Ω .

PSA-14

Order No. 08.0270

Power supply splitter cable, 5-way

For operating 4 cameras and 1 digital recorder via one power supply.

- 4 x low-voltage plug 5.5/2.1 mm (camera)
- 1 x low-voltage plug 5.5/2.1 mm with ferrite core for interference suppression (digital recorder)
- 1 x low-voltage inline jack 5.5/2.1 mm (power supply)
- Cable length: 20 cm

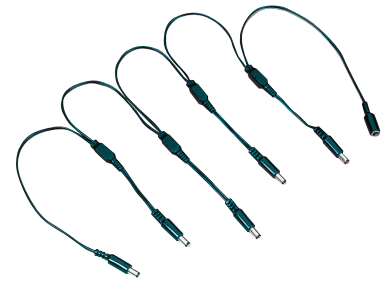

ADC-05

Order No. 08.0080

Special feed-through cable

- For supplying 5 effect units for musicians from 1 DC voltage source
- 5 x 2.1 mm low-voltage connector and 1 x 5.5 mm inline jack
- Length: 90 cm

DCA-8CAR

Order No. 06.6490

Set of connecting adapters

- For directly connecting units with 12 V DC voltage input
- Integrated fuse: 2 A
- 1.8 m connection cable
- Switchable polarity by reversing the plug-in adapters
- 8 plug-in adapters: plugs: 2.5 mm, 3.5 mm, hollow plugs: 2.35/0.75 mm, 3.5/1.35 mm, 4.0/1.7 mm, 5.0/2.1 mm, 5.5/1.5 mm, 5.5/2.5 mm

TM-12DC

Order No. 17.1030

Connection cable

- For megaphones with external power supply
- Fitted with low-voltage plug 5.5/2.1 mm and cigarette lighter plug with power LED
- Integrated fine-wire fuse 5 A
- Also suitable for general use
- Length: 6 m

CLP-3L

Order No. 14.1160

Cigarette lighter plug

- Solder connections
- Red power LED
- 2 ground springs
- Cable bending protection
- Holder for an American fine-wire fuse (Ø 6.3 mm x 30 mm)
- Supplied with a 3 A fuse
