PRODUCTINFOS

Beige-coloured, all-purpose headband microphone for adapter systems. This microphone is comfortable to wear, provides an absolutely secure fit and the high-quality back electret cartridge ensures an excellent audio reproduction of presentations and vocals. Thanks to the omnidirectional polar pattern, even a less than perfectly aligned cartridge is no problem. The flexible connection cable features a plug with latching device to ensure a safe connection with the corresponding adapter. Additional connection adapters for devices from other manufacturers are available at option.
