

# HSE-150A/SK

Order No.: 0235160

## Price upon request

## **PRODUCTINFOS**

Beige-coloured, all-purpose headband microphone for adapter systems. This microphone is comfortable to wear, provides an absolutely secure fit and the high-quality back electret cartridge ensures an excellent audio reproduction of presentations and vocals. Thanks to the omnidirectional polar pattern, even a less than perfectly aligned cartridge is no problem. The flexible connection cable features a plug with latching device to ensure a safe connection with the corresponding adapter. Additional connection adapters for devices from other manufacturers are available at option.

## Ultra-light headband microphone

- Omnidirectional polar pattern
- High-quality back electret cartridge
- Plug with latching device
- Supplied with adapters for the TXS-...HSE series (3-pole mini XLR) and pocket transmitters from JTS (4-pole mini XLR)
- Turning cartridge arm of adjustable length
- Drip ring (protects cartridge from moisture)
- Removable sweat-proof connection cable with 2.5 mm stereo plug (replacement connection cable: HSE-70C)
- Optional adapters allow application with devices from other manufacturers

- External power supply e.g. via phantom power supply adapter EMA-1 or EMA-300P
- Microphone windshield
